**With outside pressures** from peers, parents, teachers and coaches, an ever changing social environment, and a growing culture of systematic abandonment from adults, this generation of adolescents has it tougher than ever. *Inside the World of Teenagers* is a seminar for the community by Chap Clark, Ph. D., a professor of Youth, Family, and Culture at Fuller Theological Seminary. Dr. Clark spent a year as a participant-observer at Crescenta Valley High School where he conducted an ethnographic study on teens.
